

NATIONAL CARERS WEEK SCHOOLS COMPETITION

National Carers Week takes place June 13th-19th 2016, and this year we are celebrating **10 years** of the week in Ireland. We want YOU to help us by drawing a picture, writing a poem, or writing a story about “How We Care”. This could be about caring for your Granny, or helping with a brother or sister who has a disability. It could be about how we make the world a better place by caring for each other.

**Are you in 3rd or 4th
Class?**

**Would you like to
win a prize and
meet TV
personality Nuala
Carey?**

**Draw a picture or
write a poem or
short story about
“How We Care”**

**Be a part of the
